Dear valued patients of Vienna Dental Care,

We would like to inform you of a decision we have made regarding our provider status with your insurance company. As of September 15, 2023, we will no longer be participating providers.

This decision was not an easy one, but it was made with the intent of providing the highest quality care to our patients. While we have always strived to provide excellent service, being a participating provider has made it difficult for us to be fairly compensated for the care we provide.

We want to assure you that we will continue to maintain our high standard of care and that we value you as a patient and a member of the Vienna Dental Care family. We are committed to establishing fair and reasonable fees for our services based on the cost of running our office and providing the necessary care to you and all our patients.

We understand that this news may prompt questions or concerns, and we encourage you to reach out to our office at (703) 281-1311. We will be happy to answer any questions you may have and to assist you in any way possible.

Thank you for your continued support and trust in our practice.

Sincerely,

Shahram Sabet D.D.S.
